FRISCO BUYS SOME LAND

Deeds for 128 Lots and Tracts Were Filed Yesterday.

AMOUNTP AID WAS \$20,000

Larger Terminals and New "Y" to Be Built.

Testerday in the register of deed's office fifteen deeds were filed by P. V. Healy, veying to E. D. Helton as trustee, 134 lots and tracts of land on Mosley avenue. The amount named in the deeds variet from \$300 to \$1,700 each and were made out to a trustee of the St. Louis & San Francisco Railway company

The land purchased Hes along both sides of Mosley avenue and begins one Splock south of Kellogg street. The ensire block between Mosley and Mead and between Orme and Kellogg was purchased. North of Kellogg, the half block between the Rock Island tracks and Musley was purchased and the company nise purchased half a block just east of

It has been found, in looking up the records of this land that there is no Mosley avenue between Morris and Kel- though street and remains an alley.

On the east side of Mosley avenue beland and they have also purchased quite g little land abutting their right-of-way lowed them to walk and hit three men. slong that street as far north as Douglas evenue. The company claim that they have purchased these properties in order to make larger and better terminal grounds which they will build here. It has been stated that the company expects to spend something like \$190,600 in improv ing their terminal facilities in Wichita that these purchases which in amount to a little more than \$20,000, is to enable them to build The company wiso erates that they have a number of wholesale houses and factories which dexire to land nurchased will be sold or leased to these companies for sites for wholesale

Since the acquisition of the Midland tracks by the Frisco the company has had no direct way of entering these tracks with trains from the east. At the esent time, when the company wishes to send a train down Mosley avenue that the road. ent north on the "Y" to the junction on Washington avenue. This would be inconvenient and also expensive when the new passenger and freight depots are built south of Douglas avenue on Mosley and the company has included in their purchase the right-of-way for a "Y" joining their east truck with Mosley avenue and to the south of the main track. 4cek avenue crossing with Wabash ave- TO ORGANIZE HOSPITAL CORPS. nue and will run southwest across Washstreet, where it will join the line to the the new station.

fishing and we drank water from ag appeared on the glands of the right side of our throat and four days later the while side of the face was swollen. The condition seemed to point to a bad tooth but an examination by a dentist failed

to reveal anything of that nature. On the 6th of August we went to Wichita and consulted Dr. Purdue and he advised us to go to the Wichita hospital, saying that he didn't believe it was anything serious and that we could probably re-turn home in less than a week. He thought there was some pus in the swelling and he would tance it the following We took his advice and on the following day the abscess was found and lanced. The discharge of pus was preserved by the hospital surgeon, Dr. Strong, and examined under a micro-He was astonished to dis that it contained the germs of what is mmonly known as "lumpy jaw" in cattle and is caused by the "ray fungus. On Thursday merning of exposition and Dr. Strong's diagnosis of a case had never been known to be wrong befor

and yet another examination was made by another physician and he agreed with ducts and live stock made in the parade, Dr. Strong in his diagnosis. By this time which P. V. Healy, who has charge of we began to get interested. We wanted that part of the exposition, has arranged. to know about how long we might have to stay under treatment before the thing The physicians said they shown at the fair will be in this parade didn't know whether or not we would and many of the breeders who will be ever be cured, but that on account of here have signified their intention of the fact that we had taken the matter having some very artistic floats made for length of time, the chances for recovery were very good. They began treatment, internally and externally, and at the end

of two weeks there was some improvefair association to haul the displays. Mr. Healy has finished all of the general plans for the parade of Kansas and Oklahoma products and many of the dedown considerably and while there was tails have been finished, and in a few some hard spots or lumps below the jawmore days decorating for the parade will bone, we were told that we might return of the same from beginning to end, ai- begin, and everything will be in regdiness home and continue to take the medicine for Thursday morning of carnival week. prescribed. This we have done for one The association has prepared a fine list week and can see that the hard places are gradually disappearing, although we are instructed to continue the treatment for some time after all signs of the malady has disappeared.

In this connection we want to say that we presume that a great many people like ourselves dislike the idea of to a hespital for treatment, but if all are like the Wichita hospital there is no better place to be during sickness. our first experience, and the splendid atthe patient, smiling nurses make it easy for anyone to get well. The charges at that institution are so low that we can scarcely understand how they can care they do, ranging from \$5 to \$15 per week, according to the kind of room occupied. These charges include board, nurse, medicine, baths and all treatment required by the patient. The facts are that after three weeks in the Wichita hospital we Valley Center bank, was in the city yeshave a very kindly feeling for hospitals terady. n general and of this one and its officers and nurses in particular. Dr. Purlue, who had our case in charge, is one of the very best surgeons in the west and is also one of the busiest men in Wichita. The fee he charged us was so low for the peculiar case he handled that

we promised not to tell and you needn't ask how much. In conclusion we would suggest that if Francis avenue any one thinks they have symptoms of 'lumpy jaw," they had better have it from a month's vacation among the attended to at once. It isn't a nice thing mountains of Colorado, to monkey with and we don't want any | Fred R. Garcelon and more if we can help it. After this when we go fishing we propose to sit on a high bridge and sleep in the top of a tall tree The pain that comes from the disease ! its early stages wouldn't hurt anybody but the notoriety of these rare and dargerous afflictions is trying on an extremely bashful man like the writer. We ling her parents, Mr. and Mrs. F. W. are not completely cured yet, but have Webking, of 421 James street.

SUNSTROKE INSURANCE

When the summer's heat gets about 90 degrees, you are liable to be sunstruck any time you are out in the sun, unless you take the proper precautions. Several years ago, the writer of this, who has spent much of his life in the tropics, thought he was safe from sunstroke. One day he collapsed, remained unconscious for five hours, and at times his life was dispaired of. As a matter of fact, any person whose stomach and bowels are in bad shape in the summer time, is liable to be sunstruck in temperature that would be harmless under normal conditions. They wall the conditions that they are the summer that would be harmless under normal conditions. conditions. That's all there is to h. Stomach and bowels full of festering, fermenting refuse that forms acids and gases, raise the heat of the body and

blood many degrees. Scientists have found that natives of the South Sea Islands, living on laxative fruit, bananas, cocoanuts, bread-fruit, have a temperature 20 degrees lower than that of white men who are careless about their food or their bowels. It has been found in years of experience, that a CASCARET Candy Cathartic taken at bed-time every night will keep the body clean and cool inside all day, and forms a safe and thoroughly reliable form of
